Allowable Subject Matter

The following is a statement of reasons for the indication of allowable subject matter: Applicant has amended the claimed invention to distinguish from the teachings of the prior art. More specifically, examiner could not find prior art teachings, or motivation to combine prior art teachings, to disclose "...receiving the email notification on a host computer from the peripheral computing device, wherein the email notification is rendered for reading by a user logged into the host computer, and wherein the email provides an option of installing the firmware upgrade, an option for a selected time period of installation, and an interface allowing the user to indicate selections by mouse click...".
